

13-415

NECK-THREAD MATRIX

SOURCE CHECK / 23 SEP 2026

COMPONENTS FOLLOW THE FINISH ACROSS BOTTLE FAMILIES

THREAD RULE A 13-415 finish is required; roller insert seating, liner and sprayer tube length still need SKU-level checks.

15 illustrated body formats; one website neck-thread check per format. 538 Convex glass records carry 13-415 (31 marked retired).

Tall liner silver/gold caps are 24 mm; the short shiny silver/gold caps are separate options. Archive-only bodies need catalog review.
